2/4:

Member: Fariha, Hanlu, Yiwen

Progress:

1. Communicate and understand the tasks for lab3 part 2
2. Discuss the high level structure of the lab
3. Divide the lab into smaller tasks and assign to each member

2/5:

Member: Fariha, Hanlu, Yiwen

Progress:

1. Start working on the codes/tasks that each member is responsible for
2. Transparent discussion within the team for any questions that any team member encounters for his/her own part or connecting parts
